## Orient Irrigation Squash Tourney

**Dubai**

The 15th annual Orient Irrigation Squash Tournament returns to the Dubai Country Club on April 4-5 in an ongoing quest for world squash supremacy.

The ten teams are loosely based on national allegiance but the priority is on good squash and fun. This year there are teams representing Pakistan (the defending champions), the UK, South Africa, England, India, Scotland and Egypt, in addition to the multi-national teams, Pan-Global (TTFKAC), Chairman's Invitational and last year's runners-up, the Rest of the World.

The five-player teams must have one lady currently in the Reebok League registered as well as four players from the Nike men's league.
